<input type="checkbox"/> Other; explain:		

The undersigned hereby certifies that he/she has read and examined this application and know the same to be true and correct. All provisions of the law and ordinances covering this type of work will be completed whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other State or local law regulating construction or the performance of construction. The undersigned also acknowledges he/she has reviewed and understands the requirements of Keosauqua City Code, including providing an inspection of utility disconnection.

Signed: _____ Date: [Click here to enter a date.](#)

(Company Representative or Applicant)

Approval of permit does not relinquish the applicant / contractor of their liability or adherence to other statutory regulations. This permit becomes null and void if work has not been completed within 90 days for permit being issued. Return this form to the Planning and Zoning Department within 90 days of permit being issued or inspection fees may apply.
