Hopefully Fall Festival weekend was a success for all of you (whether that means additional business or a weekend off relaxing!) We took a quick turn towards winter this morning waking up to snow, but we aren't quite finished with Fall as you can see by the Chamber Calendar. Please see the "Important Notes and Reminders" section for two more opportunities to promote your business through the Chamber in 2018.

With the hiring of Heidi earlier this year, the Keosauqua Chamber has had a consistent presence on Facebook and made some positive updates to our website. We have 1,062 likes which gives you some great exposure. Please make sure you are taking advantage of these opportunities to market your business--for free!

Sincerely,  
Your Chamber Board
